

— Are Your Customers Asking For The FSC Logo On Their Projects?
— Are You Considering New Markets That Require FSC Certification?

Now your firm can obtain FSC certification for under \$1,700.00 per year. If you have looked at becoming FSC certified in the past, you know the minimum annual cost starts at about \$3,500.00 and goes up from there.

The Printing Industries Alliance Group FSC Certification Program is open for business. Currently comprised of over 150 companies from across the country, the Group FSC Program is growing. Companies must have annual printing sales volume of under \$5,000,000 and be a member of Printing Industries Alliance to participate.

Please see the enclosed program overview for more details. Interested parties can complete and return the following response form or contact Tim Freeman, President, Printing Industries Alliance, at 716/691-3211 or tfreeman@PIAlliance.org.
